CAMP LAMBEC

Thank you, volunteers!

Throughout the year, workday volunteers provide vital help toward the upkeep of Camp Lambec. The CAPNWP Board is so grateful for each and every volunteer. By offering skills, labor and resources, volunteers help ensure the camp remains a safe and beautiful space for generations to come. With your help we accomplish major projects, complete critical maintenance and prepare to open and close Camp Lambec. Thank you!

Participating in workdays allows volunteers to enjoy fellowship with others and to share their knowledge and skills. What a blessing it is to be together.

We have two more days in 2025 - join us for any part of the day! Thanks!
