

CAMP LAMBEC

February 2026

Dear Friends of Camp Lambec,

Plans for updates and repairs are taking shape for 2026, and we are deeply grateful for the generosity of churches and individuals who make this possible. Your support truly makes a difference, and we value it tremendously.

In 2026, we plan to redesign and replace the infrastructure of our water system, repair Cabins 10 and 12, enhance our internet capabilities, and prepare Springfield for increased use. We will also review and update our policies and procedures, make general repairs and replacements where needed, and—most importantly—continue to anchor our mission in the work of Christ at Camp Lambec.

Thank you for your faithful prayers and financial contributions. Because of you, the ministries at Camp Lambec continue to thrive and touch lives in powerful ways.
