Camp Lambec

UPDATES AND THANKS!

Water, water, water - READY TO GO! After local plumbers assessed and determined our water system's issue was the production of water with a few small leaks, the board decided to approve fixing and cleaning the intake to make additional water, replace the sand, and repair the sections where needed. Thank you Bob Meanor and your faithful crew for helping Andy Raber get our water system ready to go - for adding curb boxes to areas that allow easier shut-off when needed and replacing pipes that needed attention! You are all a blessing to us - thank you!

Thank you Eric Albert for helping us update our internet provider to Starlink! This service is not only more cost effective, but the service is stronger and it will provide opportunities for our adults to do any essential work at camp and most significantly, will help those who might need wifi for medical purposes. Unplug as often as you can - but if you need wifi, it's much more efficient! Thanks to all who made this possible!

Thank you Dechlyn Sheffer and Rod Sheffer for your work on the new shirt design this year. The new colors and design are sure to be popular in the camp store this summer!

To our friends,

We are so excited for the camping weeks to begin! What a privilege it is to welcome everyone to Camp Lambec and to share the love of Christ at this beautiful camp.

Please plan a visit if you aren't able to spend a week - or take a moment to sign up for a time away at Lambec!

Register for camps: <https://lambec.churchcenter.com/registrations>

What would we do without the folks who come to the workdays? Thank you so much for the gift of your time and service. We would not be ready to open without the help of the faithful volunteers this spring.

We were blessed to have Mercer County's Men with a Vision group in May. They did major repairs to Cabin 12 and 10 and installed a window in Springfield. What a tremendous gift!

Please accept our deepest thanks and appreciation!

Your giving makes a difference!

Becoming a sustaining member, designate gifts for a specific project or contribute to our endowment.
